# Hit-and-Run Accidents: What to Do?

A car crash is a terrible experience. When someone hits you and leaves, it can make the experience even more horrible. According to the American Automotive

Association (AAA) research foundation, the U.S. has a hit-and-run accident roughly once per minute. Being involved in a hit-and-run accident is overwhelming.

## What Sets Us Apart?

Fry Goehring

December 8, 2023 at 8:35 AM · 🌐

Something that sets us apart from other personal injury law firms is that we go to court. If a settlement cannot be reached, we are not afraid to go to trial and fight for the compensation our clients deserve.

Founding attorney, [Randy Fry](#), explains in the clip below.

## "EXTREMELY HELPFUL AND QUICK"

My experience at the Fry Firm was excellent. There team was always extremely helpful and quick to help me better understand anything I had a question on. They helped me and my family a whole lot when we really needed it.

Our mission is to ensure that anyone who has been wrongfully injured can obtain the medical treatment, the compassion, and the compensation that they deserve. Unsolicited praise such as this reinforces that Fry | Goehring stands by our commitments.
